NOOR TEXTILES INDUSTRIES

is a trusted manufacturer, exporter, and supplier of technical and industrial fabrics. Based in Kanpur, we produce a wide range of materials—including waterproof canvas tarp, polyester army tent fabric, heavy-duty and cotton canvas—using state-of-the-art looms and rigorous quality controls. Our fabrics meet international standards and serve clients across defense, industrial, and civilian markets.

Established in 2017, Noor Textiles Industries is a trusted manufacturer, exporter, and supplier of technical and industrial fabrics. Based in Kanpur, we produce a wide range of materials—including waterproof canvas tarp, polyester army tent fabric, heavy-duty and cotton canvas—using state-of-the-art looms and rigorous quality controls. Our fabrics meet international standards and serve clients across defense, industrial, and civilian markets.

Under the leadership of Mr. Mohd Kamil, whose strategic vision and hands-on management have driven our rapid growth, we remain committed to on-time delivery, transparent pricing, and tailored solutions. From everyday utility canvases to specialized tent fabrics, Noor Textiles is your partner for reliability, innovation, and unmatched fabric expertise.
