

Zenith Export and Import

Zenith Export And Import, founded in 2025 by Mr. Aditya Patel, is a trusted manufacturer, exporter, supplier, and trader of high-quality cast iron fittings and components. We specialize in a wide range of products including pipe elbows, tees, reducers, couplings, flanges, engine parts, and structural castings.

With a focus on quality, durability, and precision, we serve industries such as plumbing, construction, automotive, and infrastructure. Backed by technical expertise and a customer-first approach, we ensure reliable solutions and timely delivery to clients across the globe.

Zenith Export And Import, established in 2025 by Mr. Aditya Patel, is a dynamic and forward-thinking enterprise engaged in manufacturing, exporting, supplying, and trading high-quality cast iron fittings and components. With a strong foundation built on technical expertise and a commitment to excellence, we cater to a global clientele with precision-engineered solutions designed for durability and performance.

We specialize in a wide range of cast iron products, including:

Pipe Fittings: Elbows (90°, Long Radius, Short Radius, Standard, Threaded), Tees (Equal, Reducing, Threaded, Branch, Butt Weld), Reducers (Concentric, Eccentric, Pipe Diameter, Threaded).

Couplings, Unions, and Nipples: Various types of cast iron couplings, pipe unions, and nipples to meet diverse industrial needs.

Cross and Flange Fittings: Conduit Cross, Equal Cross, Reducing Cross, Blind Flange, Slip-On Flange, Threaded Flange, and Weld Neck Flange.

Beyond fittings, our portfolio extends into mechanical and structural cast iron components, including:

Engine and Machine Parts: Brake rotors, counterweights, cylinder heads, engine blocks, flywheels, gear casings, pump housings, valve bodies, and more.

Infrastructure and Architectural Castings: Manhole covers, hydrants, gutter systems, bollards, trench drains, lamp posts, anchors, structural brackets, and architectural columns.

At Zenith Export And Import, we are driven by a mission to deliver robust, reliable, and cost-effective solutions tailored to meet the specific requirements of various industries such as plumbing, construction, automotive, infrastructure, and machinery.

We pride ourselves on our customer-centric approach, stringent quality standards, and timely delivery – all of which have helped us earn the trust of our clients in both domestic and international markets.

Cast Iron 90° Pipe Elbow

Cast Iron Elbow

Cast Iron Long Radius Elbow

Cast Iron Short Radius Elbow

Cast Iron Standard Elbow

Cast Iron Threaded Pipe Elbow

Cast Iron Branch Pipe Tee

Cast Iron Butt Weld Tee

Cast Iron Equal Pipe Tee

Cast Iron Reducing Tee

Cast Iron Threaded Tee

Cast Iron Butt Weld Reducer

Cast Iron Concentric Reducer

Cast Iron Eccentric Reducer

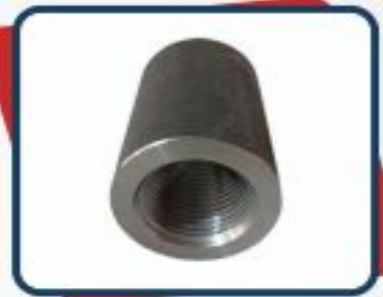

Cast Iron Pipe Diameter Reducer

Cast Iron Pipe Reducer

Cast Iron Threaded Reducer

Cast Iron Conduit Coupling

Cast Iron Extension Coupling

Cast Iron Pipe Coupling

Cast Iron Threaded Coupling

Cast Iron Pipe Union

Cast Iron Threaded Union

Cast Iron Pipe Nipple

Cast Iron Short Nipple

Cast Iron Threaded Nipple

Cast Iron Conduit Cross

Cast Iron Equal Cross

Cast Iron Pipe Cross Fitting

Cast Iron Reducing Cross

Cast Iron Threaded Cross

Cast Iron Blind Flange

Cast Iron Slip On Flange

Cast Iron Threaded Flange

Cast Iron Weld Neck Flange

Cast Iron Brake Rotor

Cast Iron Counterweight

Cast Iron Cylinder Head

Cast Iron Engine Block

Cast Iron Flywheel

Cast Iron Gear Casing

Cast Iron Pump Housing

Cast Iron Valve Body

Cast Iron Anchor

Cast Iron Architectural Columns

Cast Iron Bollards

Cast Iron Gutter

Cast Iron Hydrant

Cast Iron Manhole Cover

Cast Iron Manifold

Cast Iron Scupper

Cast Iron Structural Brackets

Cast Iron Trench Drain

• **Cast Iron Elbow Fittings** •

• **Cast Iron Tee Fittings** •

• **Cast Iron Reducer Fittings** •

• **Cast Iron Couplings, Unions, and Nipples** •

• **Cast Iron Cross and Flange Fittings** •

• **Cast Iron Mechanical and Structural Components** •
