At Krishna Industries, we are driven by a passion for innovation, a commitment to quality, and a dedication to sustainability. As a cutting-edge startup in the chemical industry, we specialize in developing and delivering innovative solutions that address the ever-evolving needs of our clients.

Krishna Industries, a dynamic startup based in the heart of Delhi, has embarked on a journey to redefine the chemical industry. Since its inception in 2022, our company has been committed to delivering a wide range of chemicals tailored to meet the specific needs of the hotel, industrial, and hospitality sectors.

Krishna Industries, a dynamic startup based in the heart of Delhi, has embarked on a journey to redefine the chemical industry. Since its inception in 2022, our company has been committed to delivering a wide range of chemicals tailored to meet the specific needs of the hotel, industrial, and hospitality sectors.

Driven by a passion for innovation and a desire to make a significant impact on these industries, Samar founded our company, breathing life into his vision.

At Krishna Industries, we pride ourselves on our dedication to quality, innovation, and customer satisfaction. We look forward to a future of growth and excellence, providing the highest-quality chemicals to support the thriving businesses of our valued clients in the hotel, industrial, and hospitality sectors.

### Our Mission

Our mission is simple yet profound: to revolutionize the chemical industry by providing sustainable and advanced chemical solutions. We aim to be your trusted partner in pushing the boundaries of what's possible with chemistry.

### What Sets Us Apart

**Innovation:** We're at the forefront of developing groundbreaking chemical technologies. Our team of experts is continually pushing the boundaries to create solutions that meet the demands of the future.

### Company History

In 2022, the visionary and young entrepreneur, Samar Kaushik, at just 21 years of age, conceived the idea that would become the cornerstone of Krishna Industries.
