Founded in 2024 by Miss Sumedha Raj, Sachanraj Global Estate & Exports Private Limited is a dynamic enterprise engaged in manufacturing, exporting, supplying, and trading high-quality products. We specialize in leather accessories, belts, handbags, horse riding gear, aluminium & metal scrap, and used cooking oil for biodiesel.

Our product range reflects craftsmanship, durability, and innovation – from hand-crafted leather belts and briefcases to premium horse saddles, bridles, and halters, as well as eco-conscious solutions like recyclable aluminum scrap and refined used cooking oil.

With a commitment to quality, reliability, and customer satisfaction, we aim to serve both domestic and international markets, delivering products that blend functionality with style and sustainability.
