

SHRI RAM CATTLE FEED

We are engaged in the manufacturing of Cattle Feed (Livestock Feed), which is made available for various cattle. Our Feed is available in various forms that are easy to eat and digest.

ABOUT US

SHRI RAM CATTLE FEED was established in the year 2001 and is a part of a business house having 35 years of vast experience in this field. The company was set up under the able guidance of Mr. Surinder Sharma, the CEO of the company. He has 36 years of rich experience in manufacturing and promotion for various other industries. Moreover, the sales of the company are growing by 25% + annually since last 8 years.

Team Force

We are supported by a team of expert and dedicated personnel, having expertise in the field of manufacturing Animal Feed using latest technology. The strength of our company principally lies in this team force that works dedicatedly to cross the new milestones of success.

Infrastructure

We are backed with a robust infrastructure spread over the area of 90000ft², which is well- managed and equipped with latest machinery. The machinery is capable of producing quality Animal Feed in bulk, thus helping us to meet the demands of customers at any point of time.

Quality Assurance

Being a quality conscious company, we take utmost care during each stage of production process right from the procurement of raw material till the production of finished products. We have in-house laboratory and R&D facilities to check the quality of our products and undertake regular improvisations.
