**YEAR OF  
ESTABLISHMENT  
1990**

Founded in 1990, Power Sep Industries has established itself as a trusted name in the field of mica-based products, delivering quality, innovation, and reliability for over three decades. Headquartered in Kolkata, West Bengal, we specialize in the manufacturing, exporting, and supplying of high-performance Glass Mica Tapes, Mica Sheets, and Mica Frames to clients across Pan India and international markets.

With a strong foundation built on experience, technical expertise, and customer trust, we have continuously evolved to meet the growing demands of industries such as electrical, electronics, thermal insulation, and power generation. Our products are manufactured using premium-grade raw materials and state-of-the-art technology, ensuring they meet international standards of durability, heat resistance, and electrical insulation.

As a manufacturer and exporter, our mission is to deliver products that combine quality, performance, and affordability. Each product undergoes rigorous quality checks to ensure precision, reliability, and adherence to global benchmarks. Our in-house technical team and skilled workforce ensure timely production and customized solutions tailored to client needs.

At Power Sep Industries, we believe in building long-term relationships with our clients by providing consistent supply, transparent business practices, and reliable customer service. Our strong logistics network enables us to deliver products efficiently across India and abroad, making us a preferred partner in the mica industry.
