

Shri Industry

Founded in 2025, Shri Industry has rapidly established itself as a reliable name in the glass recycling and trading sector. Headquartered in Nagpur, Maharashtra, we specialize in the supply and trade of high-quality glass cullets, sourced and processed to meet the growing demands of industries across Pan India.

Founded in 2025, Shri Industry has rapidly established itself as a reliable name in the glass recycling and trading sector. Headquartered in Nagpur, Maharashtra, we specialize in the supply and trade of high-quality glass cullets, sourced and processed to meet the growing demands of industries across Pan India.

- Our product portfolio includes:
- Green Glass Cullets
- Brown Glass Cullets
- Transparent Glass Cullets

At Shri Industry, we are committed to supporting sustainable manufacturing by providing glass cullets that are widely used in glass production, construction materials, and other industrial applications. With a strong focus on quality, consistency, and timely delivery, we ensure that every batch of cullets meets the required industry standards for size, purity, and performance.

As a Supplier and Trader, we have built a dependable distribution network that allows us to serve clients efficiently across India. Whether catering to large-scale glass manufacturers, recyclers, or small enterprises, our mission is to deliver products that not only meet but exceed customer expectations.

We take pride in fostering long-term business relationships through transparent dealings, competitive pricing, and customer-centric services. By combining experience with innovation, Shri Industry is committed to contributing to India's sustainability goals while meeting the diverse needs of our customers.

Our vision is to become a trusted leader in the glass cullet supply chain, recognized for reliability, eco-conscious practices, and a customer-first approach.
