Established in 2025, Indian Freeze Drying Corporation is a trusted Manufacturer & Supplier of premium-quality freeze-dried fruits, vegetables, herbs, flowers, and food ingredients. Founded under the leadership of Mr. Ishwar Hingorani, the company is committed to delivering innovative, nutritious, & shelf-stable food solutions that meet the evolving requirements of the food processing, nutraceutical, hospitality, & retail sectors.

Leveraging advanced freeze-drying technology, we preserve the natural taste, color, aroma, texture, and nutritional value of fresh produce while significantly extending shelf life. Our diverse product portfolio includes Freeze Dried Mango, Strawberry, Banana, Apple, Pineapple, Papaya, Guava, Jamun, Chikoo, Custard Apple, Dates, Onion, Beetroot, Sweet Corn, Potato, Spinach, Garlic, Ginger, Mint, Coriander, Coconut Products, and Edible Flowers. These products are available in various forms such as powders, slices, cubes, flakes, chunks, kernels, and whole ingredients.

At Indian Freeze Drying Corporation, quality remains the foundation of our operations. We source carefully selected raw materials and process them under stringent quality standards to ensure consistency, purity, and food safety. Our products are widely used in health foods, breakfast cereals, bakery products, confectionery, beverages, ready-to-eat meals, seasonings, nutraceutical formulations, and specialty food applications.

Driven by a customer-focused approach, we emphasize product quality, timely delivery, competitive pricing, & long-term business relationships. Through continuous innovation & a commitment to excellence, we strive to become a preferred partner for businesses seeking reliable freeze-dried food ingredients and value-added agricultural products.

With a strong focus on quality, sustainability, and customer satisfaction, Indian Freeze Drying Corporation continues to establish itself as a dependable name in the freeze-dried food industry.
