Textile Barrisol, founded under the vision of Mr. Asif Ali, is dedicated to transforming modern interiors through innovative ceiling and wall solutions. With a strong foundation in design and technology, Mr. Ali introduced world-class stretch ceiling systems to the Indian market, offering clients a seamless blend of elegance, durability, and functionality.

Over the years, Textile Barrisol has grown into a trusted name, delivering premium-quality ceilings, acoustic solutions, and customized designs that redefine spaces across residences, offices, hotels, and commercial projects.

Driven by a mission to provide creative, sustainable, and aesthetic solutions, Mr. Asif Ali has positioned Textile Barrisol as a leader in the stretch ceiling industry. His focus on innovation, quality craftsmanship, and customer satisfaction ensures that every project becomes a masterpiece.

At Textile Barrisol, we believe in turning imagination into reality – crafting interiors that reflect luxury, precision, and timeless design.
