About Us

Established in 2020, Shree Krishna Honey Bee Farm is a leading manufacturer and supplier of premium-quality natural honey and honey-based products in India. Headquartered in Bharatpur, Rajasthan, we are dedicated to delivering pure, nutritious, and authentic honey to clients across Pan India, combining traditional beekeeping practices with modern processing standards.

Our diverse product range includes Natural Kikar Honey, Pure Mustard Honey, Natural Coriander Honey, Natural Jamun Honey, Natural Lychee Honey, Natural Berry Honey, Natural Ajwain Honey, Natural Liptis Honey, and Natural Honey Wax. Each variety is carefully harvested from our apiaries, ensuring maximum purity, natural flavor, and nutritional value. Our honey is processed under strict hygiene protocols and packaged to maintain freshness, aroma, and quality, making it suitable for households, retailers, and commercial buyers.

At Shree Krishna Honey Bee Farm, sustainability and eco-friendly practices are at the core of our operations. Our beekeeping methods promote bee health, biodiversity, and environmental responsibility, ensuring that every product reflects natural goodness. We employ skilled professionals and advanced processing units to maintain consistent quality, enabling us to meet domestic demands reliably.
