Shri Shyam Enterprises is a newly established agro-based and eco-friendly manufacturing company, founded in the year 2025 and headquartered in Kalpani Karimganj NC Baksa, Assam, India. The company is dedicated to promoting sustainable, natural, and environmentally responsible products that support agriculture, organic farming, and green living practices across global markets.

We specialize in the manufacturing, exporting, supplying, and trading of Cow Dung Cake, Cow Dung Manure, and Natural Banana Fiber. Our products are widely used in organic agriculture, eco-friendly fuel applications, traditional practices, composting, handicrafts, and biodegradable product manufacturing. Each product is processed using natural methods to preserve its purity, nutritional value, and environmental benefits.

At Shri Shyam Enterprises, quality and sustainability are at the core of our operations. We source raw materials responsibly and follow hygienic processing and drying methods to ensure consistent quality and safe handling. Strict quality control measures are maintained throughout production, packaging, and storage to meet domestic and international standards.

As a Manufacturer, Exporter, Supplier, and Trader, we serve customers worldwide, including organic farmers, distributors, exporters, eco-product manufacturers, and institutional buyers. Our efficient supply chain enables us to handle bulk requirements, customized packaging, and timely deliveries with reliability.

Driven by ethical business practices, customer satisfaction, and environmental responsibility, Shri Shyam Enterprises aims to build long-term partnerships based on trust and quality. Our mission is to deliver natural, sustainable solutions that contribute to healthier farming systems and a greener global future.
