# ABOUT US

Coco NXT is a trusted supplier and trader of premium coconut-based products, dedicated to sustainable sourcing and global-quality standards. Established in 2025, we specialize in offering a wide range of products including Virgin Coconut Oil, Refined Coconut Oil, Coconut Shell Charcoal, Charcoal Briquettes, Coir Pith Blocks, and Mature Coconuts. Our operations bridge the gap between Indian coconut farmers and international markets through transparent, ethical, and eco-friendly trade practices.

Under the leadership of Mr. Aravind S, Coco NXT has built a strong presence across Pan India, serving industries with consistent quality and timely delivery. With a focus on sustainability, purity, and customer satisfaction, we ensure every product reflects nature's best. Coco NXT continues to grow as a reliable name in the coconut trade sector, empowering communities and promoting environmentally responsible business solutions world-wide.
