Maruti Enterprise is a leading manufacturer, exporter, and supplier of premium FRP (Fiber Reinforced Plastic) and Fiberglass products, established in the year 2016. Headquartered in India, the company has built a strong reputation for delivering durable, aesthetically appealing, and high-quality solutions to clients across domestic and international markets.

Under the leadership of Mr. Dhruv Bhuva and Mr. Parth Bhut, Maruti Enterprise has consistently focused on innovation, quality manufacturing, and customer satisfaction. Operating as a partnership firm, the company continues to grow steadily through its commitment to excellence and reliability.

We specialize in a wide range of FRP and Fiberglass Planters, including cylindrical, round, square, rectangular, geometric, decorative, designer, tabletop, and multicolor planters. Our popular planter series such as Alleza, Atlas, Bitrio, Bosco, Fuori, Iris, Minero, Quadro, Stella, Trigona, and Zene are widely appreciated for their modern designs, superior finish, weather resistance, and long service life.

In addition to planters, Maruti Enterprise also manufactures FRP Manhole Covers and Gully Covers, including heavy-duty and square variants, designed to meet industrial and municipal requirements with high strength, corrosion resistance, and safety standards.

With advanced manufacturing facilities and strict quality control processes, we are committed to delivering reliable products that combine functionality with contemporary design. Our mission is to provide innovative FRP solutions that add value to residential, commercial, landscaping, and infrastructure projects worldwide.
