Hermetically Sealed Cooling Compressor SYSTEM is the vital key to maintain a desired set temperature always.

Technical Team , Design Team , Legal Team & Management of the Group are committed to INNOVATE with INSIGHT to keep INSIGNIA a force to reckon with.

We, at INSIGNIA international have resolved to undertake to ensure to help our Nation save precious Foreign Exchange by providing an international Quality at reasonable Prices & Gear up Exports to earn a National Repute by Making in INDIA & Inviting overseas manufacturing experts from European Countries to join us in this venture .

Repeat users at Home & Growing Exports Motivate us to innovate as we keep adding colours to Blood Banking besides RED to the Speciality of Blood Transfusion Services .

OUR PRODUCTS

DC-100X Blood Donor Couch

Dimension	:	220
Lifting capacity	:	Upto 200 kg
Gross Weight	:	90 kg
Operation	:	Remote Control with 2 motors
Arm Rest	:	Left/right side adjustable with UP/Down Movement 18 cms wide
Scope 8 delivery	:	AC connection cables, Arm Rests

RC-90F Refrigerated Blood Centrifuge

Business Type	:	Manufacturer, Supplier, Retailer
Type	:	Blood Weighing Scale
Condition	:	Good
Power Source	:	Electric

PE-30X Blood Weighing Scale

Business Type	:	Manufacturer, Supplier, Retailer
Condition	:	Good
Power Source	:	Electric

BRC-360X Blood Storage Cabinets

Model No.	:	BRC-360X
Capacity (can hold upto)	:	360 blood bags of 450ml Capacity
Use	:	Used to store blood and other laboratory items
Operating temperature	:	+4°C to +6°C +/-2°C
Usage	:	Clinics, Hospital / Blood Banks and

Blood Bank Refrigerator

Business Type	:	Manufacturer, Exporter
Type	:	Blood Bank Equipment
Use	:	Blood Pressure Reading
Weight	:	0-100gm

OUR PRODUCTS

Blood Bag Storage Cassettes

Business Type	:	Manufacturer, Exporter, Supplier
Size	:	Small
Type	:	Audio Cassettes
Application	:	Cassettes Player

Blood Collection Monitor

Business Type	:	Manufacturer, Exporter, Supplier
Type	:	Blood Collection Monitor
Use	:	Blood Pressure Reading
Weight	:	0-100gm

Blood Sampling Device

Business Type	:	Manufacturer, Exporter, Supplier
Type	:	Blood Sampling Device
Color	:	Transparent
Features	:	Disposable

Blood Plasma Cryoprecipitate Bath

Business Type	:	Manufacturer, Exporter
Material	:	Metal
Capacity	:	6,12 Bags
External Dimensions1 (W x D x H) inch	:	19" x 17" x 31" & 25" x 19" x 32"

Portable Blood Donor Lounge

Business Type	:	Manufacturer, Exporter, Supplier
Type	:	Blood Donor Chair
Material	:	ABS Coated Pipe
Shape	:	Rectangular

OUR PRODUCTS

II-10X Laboratory Blood Bank Incubator

Type	:	Blood Banks
Certification	:	CE Certified
Color	:	Black, Blue, Brown, Gray, Red, Silver
Voltage	:	110V, 220V
Capacity	:	50 -100 Liters
Driven Type	:	Electricity

PR-22 Reciprocator Platelet Incubator

Application	:	Medical Use
Voltage	:	110V
Temperature	:	50-100Deg C
Volume	:	100-150ltr
Automation Grade	:	Fully Automatic

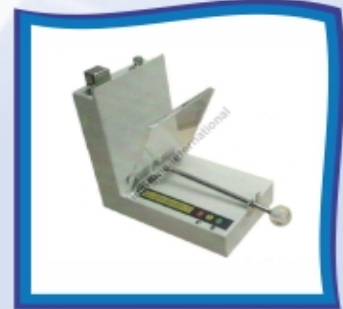

PE-20X Plasma Expressor

Weight	:	2.5 kg.
Plasma Expressor	:	(PE-20X) Manual / Electronic AC 220 Volts Operated (PE-30X).
Mode of operation	:	PE-20X Manual & PE-30X (Electronic).
Modal	:	PE-20X
Condition	:	New

PE-30X Plasma Expressor

Power	:	220 Volts AC, 50 Hz.
Weight	:	3 kgs.
Material	:	100% stainless steel hardware.
Condition	:	New

CB-30X Centrifuge Bucket Corrector

Business Type	:	Manufacturer, Exporter, Supplier
Brand Name	:	INSIGNIA
Accuracy	:	1 Gm/ml
Model Number	:	CB-30X

OUR PRODUCTS

Electronic Counter Balance

Business Type	:	Manufacturer, Exporter, Supplier
Type	:	Electronic Micro Balances
Weight	:	10-20kg
Color	:	Black

Laboratory Refrigerator

Business Type	:	Manufacturer, Exporter, Supplier
Certification	:	CE Certified
Voltage	:	110V, 220V

Phlebotomy Chair

Business Type	:	Manufacturer, Exporter, Supplier
Size	:	6ft X2ft
Color	:	Red
Material	:	Metal

Plasma Thawing Bath

Business Type	:	Manufacturer, Exporter, Supplier
Display	:	LCD/LED
Usage	:	Industrial
Material	:	Stainless Steel

BT-200X RF Tube Sealer

Business Type	:	Manufacturer, Exporter, Supplier
Application	:	Tube Sealing
Weight	:	100-200kg
Color	:	Blue

OUR PRODUCTS

RH View Box

Business Type	:	Manufacturer, Exporter, Supplier
Color	:	White
Application	:	Hospital
Phase	:	Single Phase

Vertical Autoclaves

Business Type	:	Manufacturer, Exporter, Supplier
Type	:	Vertical
Voltage	:	240V
Condition	:	New

ULF Series Ultra Low Temperature Freezer

Product Code	:	ULF Series
Port	:	NEW DELHI
Payment Terms	:	L/C, Other
Delivery Time	:	15-45 days
Packaging Details	:	Sturdy packing in a wooden case

UDF Series Ultra Low Temperature Deep Freezer

Port	:	NEW DELHI
Payment Terms	:	L/C, Other
Delivery Time	:	15-60 DAYS
Packaging Details	:	Properly packed in wooden case.
Type	:	Ultra Low Temperature Freezer

ULF Series Ultra Low Temperature Freezer

Product Code	:	ULF Series
Port	:	NEW DELHI
