Lockmate Auto Industries is a newly established and fast-growing manufacturer and supplier of two-wheeler and three-wheeler locking systems, founded in 2026 under the guidance of Mrs. Pooja. We are committed to delivering reliable, durable, and precision-engineered automotive security components that meet industry standards.

Our product portfolio includes a wide range of motorcycle ignition switches, complete lock sets, petrol tank cap locks, seat locks, toolbox locks, wheel locks, handle locks, side lid locks, and three-wheeler lock kits. Each product is carefully designed to ensure accurate fitment, smooth operation, and long service life across various motorcycle and three-wheeler models.

At Lockmate Auto Industries, we focus on quality manufacturing, consistent performance, and customer satisfaction. Using quality-tested materials and modern production techniques, we ensure that our products provide enhanced safety and dependable locking solutions for everyday vehicle use.

With a customer-centric approach and a commitment to continuous improvement, Lockmate Auto Industries aims to become a trusted name in the automotive lock and security components market by offering cost-effective, reliable, and application-specific solutions.
