Bio Anabolics is a trusted name in the global pharmaceutical industry, engaged as a leading Exporter, Supplier, and Trader of premium-quality healthcare and fitness medicines. Established in 2018 under the leadership of Mr. Owen Tuller, the company has earned recognition for offering a diverse range of products including Human Growth Hormones, Steroid Medicines, and Weight Loss & Diabetes Medicines. With an annual turnover of USD 0.1 to 0.5 million (approx.), Bio Anabolics operates with a mission to deliver genuine and effective pharmaceutical solutions worldwide. Backed by a small yet skilled team of professionals, we ensure quality assurance, ethical business practices, and timely delivery across markets. Our firm operates as an Individual (Sole Proprietorship), emphasizing customer satisfaction and global standards. Through continuous innovation and reliable sourcing, Bio Anabolics remains committed to enhancing health and performance naturally and safely.
