ISO 9001:2008 Certified

Welcome to Herboil Chem

HERBOIL CHEM manufactures and markets Phytonutrients and standardized Botanical extracts, especially fine chemicals and organic intermediates used in the nutritional, pharmaceutical and food industries.

Herboil Chem also provides custom manufacturing from lab scale to pilot / semi-commercial scale, and process development. Herboil Chem has a research and development facility and a manufacturing facility under construction in Maharashtra, India. The company selects ingredients with a long history of traditional success and conducts clinical research to confirm their efficacy. Research is the foundation of Herboil Chem success.

About us

Herboil Chem is an experienced and technical company in India. We are dedicated to provide natural, healthy raw material for both new and regular customers, with our consistent best service and quality! With a large product line, Herboil Chem is able to meet customer needs while carrying a full line of herbal extracts, specialty chemicals and Chinese herb slice according to GMP.

Herboil Chem is very proud of its leading expertise and capacity in the research, development and manufacturing of top quality botanical extracts from a wide range of raw herb materials. Our liquid and powdered botanical extracts are widely used with confidence and satisfaction by pharmaceutical, cosmetic, food and beverage industries around the world.

Mission/Vision

Herboil Chem's mission is to develop the safe, cost-effective nutraceutical and food ingredients confirming to stringent international standards to our customers with quality par excellence.

	Withania Somnifera	Ashwagandga	The root of the plant Withania Somnifera alsocalled Indian Ginseng cultivated throughout India	1.5% & 2.5% Alkaloids and Withanolides both by Gravimetry
	Zingiber Officinale	Ginger/Sunth	The dried rhizomes of Zingiber Officinalecultivated in the warmer regions of SouthIndia	5% Gingerols by HPLC

B) Essential Oils

Sr. No	Product Name
1	Apple seed oil
2	Curcuma Longa (Turmeric) Oil
3	Eucalyptus Oil
4	Ginger Oil
5	Karanja seed oil
6	Lemongrass Oil
7	Neem Seed Oil
8	Peppermint Oil

C) Natural Food and Colors

Sr. No	Product Name
1	Annatto Powder/Liquid
2	Beet Root Juice Powder
3	Beta Carotane Powder
4	Caramel Powder / Liquid
5	Paprika Oleoresin
6	Spirulina Powder

D) Oleoresin

Sr. No	Product Name
1	Black Pepper Oleoresin
2	Campsicum Oleoresin
3	Paprika Oleoresin
4	Turmeric Oleoresin

E) Enzymes

Sr. No	Product Name	Standardized
1	Bromelain Powder	100DGU, 2500 GDU
2	Papain Powder	100TU– 6000 TU
