BEAUTY NUTRA AND WELLNESS

At Activeyork Organic Pvt. Ltd., we are redefining the boundaries of beauty and wellness through an extraordinary fusion of nature and scientific innovation. In an exclusive partnership with Heenrgy Biotech, spearheaded by the pioneering Korean scientist **Dr. Kim In Sang**, we bring India its first unisex products powered by Nano Bio Quantum Technology - a transformative blend of herbal far-infrared rays (FIR), nanotechnology, and quantum coherence. This cutting-edge approach, enriched with neurocosmetic principles, delivers holistic care that revitalizes skin, enhances health, and uplifts the mind.

Our journey was born from a singular mission: to elevate organic wellness beyond the ordinary by harnessing advanced science. "Active" captures the vibrant energy our products awaken within you. "York" symbolizes the strength and global collaboration behind our vision, uniting Dr. Kim In Sang's Korean expertise with India's natural heritage. "Organic" is our promise 100% herbal formulations that nurture sustainably and authentically.

The cornerstone of our innovation is Nano Bio Quantum Technology, meticulously developed by **Dr. Kim In Sang** at Heenrgy Biotech. This technology leverages nanoparticles to deliver herbal actives deep into the skin, while herbal FIR energy amplifies hydration and increases blood microcirculation- enhancing oxygen flow for a healthy, radiant glow. Quantum coherence ensures stability and potency, enabling our products to detoxify impurities, boost collagen, and protect against environmental stressors. From smoothing wrinkles to soothing inflammation, this technology offers visible, lasting results naturally.

We take wellness further with neurocosmetics, engaging the gut-skin-brain axis to infuse our products with stress- relieving, calming benefits. Improved microcirculation not only rejuvenates your complexion but also supports cellular vitality, fostering a sense of balance and clarity. Whether it's skincare, supplements, or therapeutic solutions, Activeyork products crafted with Heenrgy Biotech's expertise enhance circulation, strengthen immunity, and promote healing, all while delivering a serene, uplifting experience.

Activeyork Organic Pvt. Ltd. is not just a brand - it's a movement, ignited by **Dr. Kim In Sang's** visionary technology and our commitment to pioneering wellness in India. With every application, we invite you to discover a revolution where nature's purity, neuroscience, and Nano Bio Quantum innovation converge to empower you with radiant beauty, robust health, and renewed vitality.
