About Us

V.D Global, established in 2025 and headquartered in Gurugram, Haryana, is a leading Manufacturer, Exporter, and Supplier of premium-quality Phool Makhana (Fox Nuts). We specialize in offering a diverse range of products including Raw Phool Makhana, Peri Peri Phool Makhana, Mix Masala Phool Makhana, and Salt & Pepper Phool Makhana, crafted to meet global standards of taste, quality, and nutrition.

At V.D Global, our mission is to promote healthy snacking through naturally sourced, chemical-free, and high-protein makhana varieties. Each batch is carefully processed under hygienic conditions using advanced techniques to preserve freshness, crispness, and nutritional value. From sourcing the finest raw makhana to flavoring and packaging, we maintain strict quality control to ensure consistency and excellence in every product.

With a strong focus on innovation, purity, and customer satisfaction, we cater to both domestic and international markets, offering customized packaging and bulk supply options for retailers, distributors, and private labels. Our efficient logistics and global trade expertise enable timely deliveries and seamless business operations across borders.

Our Products

PERI PERI

- | | |
|-----------------|--|
| Texture | : Light, airy, and crispy. |
| Flavor | : Bold, spicy, zesty, with hints of chili, garlic, and lemon. |
| Ingredients | : Roasted fox nuts (makhana) tossed in peri-peri spice blend (chili, salt, onion, garlic, etc.). |
| Health Benefits | : High protein/fiber, low calorie, good for digestion, immunity booster, aids weight management. |
| Usage | : Perfect for on-the-go snacking, parties, or as a healthy munch. |

SALT & PEPPER

- | | |
|------------|--|
| Components | : Sodium chloride (salt) and ground black peppercorns. |
| Function | : Salt enhances food's natural flavors, while pepper adds a mild, spicy heat. |
| Usage | : Commonly offered together in shakers for post-cooking seasoning or mixed during cooking. |

Our Products

Indian Masala

- Base Ingredient : Phool Makhana (fox nuts or lotus seeds).
- Texture : Light, airy, crispy, and crunchy when roasted properly.
- Flavor Profile : Spicy, tangy, savory, and flavorful due to the masala mix.
- Spices Used : Common spices include turmeric, red chili powder, cumin powder, black pepper, salt, black salt, amchur (dried mango powder), and asafoetida (hing).

CHEESE

- Base : Popped lotus seeds (makhana/fox nuts) that are light and airy.
- Flavor : A blend of cheddar or other cheese powders, milk solids, herbs, and spices (like onion, garlic, chili) for a savory, creamy, umami taste.
- Texture : Crispy, crunchy, and light, similar to cheese puffs or popcorn.
- Health Benefits : Naturally gluten-free, low in calories, high in protein and fiber, rich in antioxidants, and a good source of nutrients like magnesium, making it ideal for weight management or healthy snacking.

Our Products

TANGY TOMATO

- | | |
|-----------------|---|
| Flavor | : Bold, zesty, and tangy tomato with a savory spice blend that's instantly mood-lifting. |
| Texture | : Light, airy, and crunchy due to expert roasting. |
| Base | : Whole lotus seeds (makhana/fox nuts). |
| Preparation | : Roasted (not fried), often using rice bran oil or ghee. |
| Health Benefits | : High in protein, iron, magnesium, fiber; cholesterol-free; gluten-free; qqlow-carb; good for keto/diabetic diets. |

CREAM & ONION

- | | |
|---------------|---|
| Healthy Alt. | : Lower in calories and fat than traditional snacks, rich in protein and fiber. |
| Nutrient-Rich | : Contains antioxidants and minerals like magnesium. |
| Gluten-Free | : A naturally gluten-free snack option. |
| Versatile | : Great for movie nights, travel, or satisfying cravings. |

Our Products

PUDINA

- Main Ingredient : Roasted fox nuts (phool makhana).
Flavor Profile : Refreshing, cool mint with savory spices like black salt, cumin, and coriander.
Texture : Light, crispy, and crunchy.
Health Benefits : Low in calories, high in protein and fiber, gluten-free, rich in antioxidants, beneficial for heart health.
