Molla Brothers Engineering And Trading Pvt Ltd, established in 2025, is a fast-growing and reliable organization engaged in Manufacturing, Supplying, Trading, and Service Providing across multiple industrial and safety sectors. Founded by Mr. Amartya Molla and Mr. Milan Molla, the company is committed to delivering high-quality products and professional services that meet modern industry requirements.

We specialize in a wide range of Fire Protection Services, Marine Safety Solutions, Breathing Air Systems, and Calibration Services, ensuring complete safety and compliance for our clients. Our expertise includes inspection, testing, maintenance, and certification services, carried out by skilled professionals using advanced tools and industry-approved methods.

In addition to services, we also deal in premium agro products such as Basmati Rice, Non-Basmati Rice, Spice Powders, Whole Spices, and Fresh Vegetables, maintaining strict quality standards and hygienic processing to meet both domestic and export demands.

Our company focuses on quality assurance, customer satisfaction, timely delivery, and competitive pricing, making us a preferred partner for businesses across various sectors. We continuously strive to improve our offerings by adopting modern technology and industry best practices.

With a strong vision for growth, Molla Brothers Engineering And Trading Pvt Ltd aims to become a trusted name in industrial services and agro product supply, delivering excellence, reliability, and long-term value to our clients.
