ABOUT US

Shagun Enterprises is a professionally managed manufacturing and trading company, established in 2019 and headquartered in Bhopal, Madhya Pradesh, India. The company operates globally as a Manufacturer, Exporter, and Supplier, offering a diversified range of natural, industrial, and lifestyle products to international markets.

Our core product portfolio includes Eggshell Powder and Moringa Powder, widely valued in nutraceutical, agricultural, and health-related applications for their natural composition and functional benefits. In addition, we supply high-quality Leather Sheets, Room Carpets, and Room Rugs, designed to meet global standards of durability, aesthetics, and craftsmanship for residential and commercial interiors.

At Shagun Enterprises, quality assurance and consistency are central to our operations. We follow stringent quality control measures across sourcing, processing, and manufacturing stages. Our natural powders are processed under hygienic conditions to ensure purity and safety, while our leather and textile products are produced using carefully selected materials and skilled workmanship to deliver superior finish and long-lasting performance.

With a strong understanding of international trade practices, packaging norms, and logistics, we ensure smooth export operations and timely delivery across global destinations. We also offer customized product specifications, packaging, and bulk supply solutions tailored to diverse client requirements.

Driven by integrity, innovation, and customer satisfaction, Shagun Enterprises is committed to building long-term relationships with global partners. Our diverse product range, reliable supply capabilities, and focus on international quality standards position us as a dependable partner in worldwide markets.
