About Us

Crop Matrix Private Limited is a fast-growing agrochemical company engaged in the export, supply, and trading of high-quality crop protection and farm input solutions. Established in 2020 under the visionary leadership of Mr. Abhay Singh, the company is committed to supporting modern agriculture with reliable, effective, and farmer-focused products.

We offer a comprehensive portfolio covering Insecticides, Herbicides, Fungicides, Plant Growth Regulators, Bio Stimulants, Organic Manure, and Agricultural Adjuvants. Our products are developed to meet diverse crop needs, improve yield potential, and ensure sustainable pest, weed, and disease management.

At Crop Matrix Private Limited, quality, consistency, and compliance are our core priorities. We source and deliver formulations that meet industry standards and regulatory norms, ensuring safety and performance across varied agro-climatic conditions.
