ABOUT US

Founded in 2025, Krishna White and Red Sandal Woods is a distinguished enterprise based in Visakhapatnam, Andhra Pradesh, specializing in the sourcing, processing, and global supply of premium-quality sandalwood. As a reputed Manufacturer, Exporter, and Supplier, we cater to clients worldwide with an exclusive range of A Grade Red Sandalwood Logs, Natural Red Sandalwood Logs, Indian White Sandalwood Logs, and Premium White Sandalwood Logs.

Our company is built on a commitment to authenticity, sustainability, and unmatched quality. Each sandalwood log sourced by us undergoes strict quality evaluation to ensure superior aroma, texture, density, and oil content. With a deep understanding of the global demand for certified and ethically sourced sandalwood, we maintain transparent procurement processes and adhere to all regulatory compliances, ensuring complete trust and reliability for our partners across the world.

At Krishna White and Red Sandal Woods, we combine traditional knowledge with modern processing standards to supply sandalwood that meets the requirements of industries such as perfumery, cosmetics, handicrafts, wellness, pharmaceuticals, and luxury goods. Our focus on customer satisfaction drives us to offer consistent supply, competitive pricing, and tailored solutions for bulk buyers, exporters, manufacturers, and international trading houses.

With a steadily expanding global footprint, our company is dedicated to becoming a leading name in the international sandalwood market.
