About Us

Established in 2025, INTHOR LLP is a trusted and rapidly growing Importer and Distributor of Technical Grade Urea in India.

Headquartered in Hyderabad, Telangana, we source Technical Grade Urea from reliable international manufacturers and supply it across India to meet the consistent quality and compliance requirements of diverse industrial sectors.

We offer Technical Grade Urea in multiple grades and specifications, available as per industry requirements, supported by appropriate quality documentation to ensure consistency, reliability and performance.

With a strong focus on competitive commercial terms, consistent quality and on-time delivery, INTHOR LLP is committed to building long-term partnerships as a dependable supply partner for industries across the country.

Under the leadership of Mr. Rohith, Ms. Shruthi & Mr. Siddharth, INTHOR LLP has steadily built a strong and growing client base across India.
