# HMG Exports

Established in 2025, HMG Exports is a trusted exporter, supplier, and trader of premium-quality dehydrated vegetable powders, headquartered in Baran, Rajasthan, India. With a commitment to quality, hygiene, and international standards, the company serves clients across domestic and global markets, catering to the food processing, spice, and seasoning industries worldwide.

Our product portfolio includes Dehydrated Garlic Powder, Dehydrated Ginger Powder, Dehydrated Pink Onion Powder, and Dehydrated White Onion Powder. All products are carefully sourced from fresh, high-quality raw materials and processed using advanced dehydration techniques to retain natural flavor, aroma, color, and nutritional value. Each batch undergoes stringent quality checks to ensure purity, consistency, and compliance with international food safety standards.

At HMG Exports, hygiene and food safety are central to our operations. Our processing facilities adhere to globally recognized protocols, including cleaning, sorting, drying, grinding, and packaging under controlled conditions. We ensure that our products reach clients in optimum condition, maintaining long shelf life and superior sensory qualities.

We cater to wholesalers, exporters, food processors, seasoning brands, and industrial clients worldwide. With a robust supply chain, timely logistics, and customized packaging solutions, HMG Exports ensures reliable delivery and client satisfaction.

Driven by integrity, professionalism, and sustainability, HMG Exports aims to be a global leader in dehydrated vegetable powders. Our mission is to provide high-quality, natural, and hygienically processed products that enhance culinary experiences while supporting the growing demand for safe, convenient, and value-added food ingredients worldwide.
