ABOUT US

Established in 2017, The Radio Watch Co is a trusted name in the field of clock movements, watch parts, and horology tools. Under the leadership of Mr. Saif (CEO), the company has built a strong reputation as a Manufacturer, Exporter, Wholesaler, and Importer, catering to diverse domestic and international market requirements.

We specialize in a wide range of Everest Quartz clock movements, quartz wall and pendulum clock mechanisms, decorative clock hands, and clock winding keys, ensuring accuracy, durability, and consistent performance. Our portfolio is further strengthened by professional-grade watch repair tools, including precision tweezers, micro screwdrivers, pin vice tools, watch case openers, pliers, magnifying tools, cleaning accessories, and storage solutions.

In addition, we supply watch dial parts, wall mounting items, finished clocks, and selected craft power tools, making us a one-stop solution for watchmakers, repair professionals, retailers, and bulk buyers.

Driven by quality, reliability, and customer satisfaction, The Radio Watch Co is committed to delivering competitively priced products, consistent supply, and long-term business partnerships across global markets.
