# ABOUT US

Established in 2025, JP Farm is a dynamic and rapidly growing enterprise headquartered in Jalgaon, Maharashtra, India. As a trusted Manufacturer, Exporter, Supplier, and Trader, we specialize in delivering premium quality Raw Green Banana, A-Grade Green Banana, and Fresh G9 Green Banana to clients across the globe. With a strong focus on quality, consistency, and customer satisfaction, JP Farm has quickly become a preferred partner in the international fresh produce market.

At JP Farm, we combine modern agricultural practices with careful handling and storage to ensure that every banana reaching our clients meets the highest standards of freshness, taste, and nutritional value. Our production facilities follow stringent quality control measures, ensuring optimal ripeness, uniform size, and vibrant color in every batch. Our commitment to sustainable farming and ethical sourcing underlines our dedication to both the environment and our customers.

Our global supply network enables us to serve diverse markets with timely and efficient delivery, catering to wholesalers, retailers, and distributors worldwide. With a skilled team of agronomists, logistics experts, and quality control professionals, we ensure smooth operations from farm to fork.
