# ABOUT US

**MAYANSHI STONE  
INDUSTRIES**

Mayanshi Stone Industries is a distinguished and trusted name in the field of sandstone craftsmanship, specializing in the creation of world-class temples, architectural stone elements, and premium handcrafted stone artworks. Established in 2019 under the leadership of Mr. Manish Kumar Saini, we operate as a Manufacturer, Exporter, Supplier, and Trader, serving clients across India and worldwide. With a team of 21–50 skilled professionals, we blend traditional artistry with modern techniques to deliver unmatched quality, precision, and aesthetics in every project.

## ● Our Mission

Our mission is to preserve India's ancient stone-carving heritage while innovating with modern architectural needs. We aim to deliver products that inspire devotion, enhance spaces, and stand as timeless structures of beauty and durability.

## ● Our Vision

Our vision is to become a global leader in exquisite sandstone manufacturing by expanding our design capabilities, strengthening international partnerships, and continuously elevating the standards of craftsmanship and service in the stone architecture industry.

## ● Why Choose Us

We are committed to superior craftsmanship, high-grade natural stone selection, and precision finishing. Our products are known for structural durability, artistic detailing, and long-lasting premium quality. Each design is customized to meet cultural, architectural, spiritual, and aesthetic requirements of our clients.
