Sprada2global Exim is a professionally managed export-oriented trading company, established in 2025 and headquartered in Surat, Gujarat, India. The company operates globally as an Exporter, Supplier, and Trader, supplying high-quality processed food and agricultural products to international markets with a strong commitment to consistency, safety, and customer satisfaction.

We specialize in a diverse range of products including Dehydrated Red Onions, Dehydrated White Onions, Peanut Butter, Raw Peanut Kernels, Dehydrated Garlic Powder, and Dehydrated Ginger Powder. Our product portfolio is designed to serve food processing industries, wholesalers, retailers, and bulk buyers seeking reliable, value-added food ingredients with extended shelf life and superior quality.

At Sprada2global Exim, quality assurance is central to our operations. We source raw materials from trusted farmers and processors and ensure stringent quality checks throughout procurement, processing, grading, and packaging stages. Our products are processed under hygienic conditions and comply with international food safety and export standards, ensuring freshness, nutritional value, and consistent performance.

Supported by a robust supply chain and deep understanding of international trade practices, we ensure timely delivery and smooth export operations across global destinations. We offer customized packaging, private labeling, and bulk supply options to meet the specific requirements of diverse international clients.

Driven by integrity, transparency, and long-term partnership values, Sprada2global Exim is committed to delivering dependable products and professional service. Our focus on quality, competitive pricing, and worldwide reach positions us as a trusted partner in the global trade of dehydrated foods and agricultural products.
