Lusail International Industrial Factory is a leading manufacturer, exporter, and supplier of high-quality plastic film products and innovative packaging solutions. Based in Dammam, Saudi Arabia, we cater to clients across Saudi Arabia, the Gulf countries, India, China, Turkey, and other international markets. Our extensive experience and customer-centric approach have earned us a strong reputation for delivering customized solutions tailored to diverse requirements. Established in 2016, we have consistently upheld our commitment to excellence and innovation in the industry.

We offer a comprehensive selection of products, including plastic bags, warning tapes, PE rolls, and stretch films. Available in multiple sizes and specifications, our products are designed and manufactured to meet specific application needs, reflecting our unwavering commitment to quality and customer satisfaction. The confidence our clients place in us is a testament to our global prominence. Moreover, we ensure that all plastic products are safely delivered to their final destination within the specified timeframe.

Lusail International Industrial Factory operates under the expert guidance of Maitham Alfardan, who brings over 15 years of experience in the polyethylene film industry. His leadership drives our commitment to quality, innovation, and customer satisfaction.
