ABOUT US

PHARMAETHOS PHARMACEUTICALS PRIVATE LIMITED is a professionally managed pharmaceutical company engaged in the sourcing, supply, trading, distribution, import, export, and service support of pharmaceutical and medical products. The company operates within the pharmaceutical industry with a focus on delivering quality-assured healthcare products to domestic and international markets.

Established in 2025, PHARMAETHOS PHARMACEUTICALS PRIVATE LIMITED specializes in the supply of products such as IV Cannula and Protek Umbilical Cord Clamp, catering to hospitals, clinics, distributors, and healthcare institutions. We work closely with approved manufacturers and authorized partners to ensure that all products supplied meet applicable quality, safety, and regulatory standards.

With a dedicated team and efficient supply-chain practices, the company emphasizes timely delivery, competitive pricing, ethical business conduct, and customer satisfaction. Our global market coverage enables us to serve clients worldwide while maintaining consistency in service and product reliability.

PHARMAETHOS PHARMACEUTICALS PRIVATE LIMITED is committed to building long-term partnerships by offering dependable pharmaceutical solutions and responsive service support aligned with the evolving needs of the healthcare sector.
