

Viaana Dairy Foods Private Limited

We are a leading manufacturer and exporter of high-quality dairy products.

About Us

Our company was initially formed as a proprietorship firm with a different brand name "Rukhmani" at Tumsar Maharashtra on march 2014. The firm was subsequently converted and registered as a private limited company under the company act, 2013 under the name 'Viaana dairy foods private limited' on 28th November 2023. Mr. Shubham Agrawal, Mr. Vishal Jain and Mr. Manoj Agrawal are the director and promoter of the company.

Over the years of experience, we have diversified our product categories to value added dairy products such as paneer, ghee, cream, butter, Dahi, skimmed milk powder without degrading our quality, nutrition, and reliability all our products are produced using high-quality milk sourced from trusted dairy farmers. We follow stringent quality control and hygiene standards throughout the procurement, processing, and packaging stages to ensure freshness, purity, and nutritional value. Our products are developed to meet the daily dietary needs of households, food service providers, and institutional buyers.

At Viaana Dairy Foods, food safety and consistency are central to our operations. Our manufacturing facilities are equipped with modern processing technologies and operate under strict quality assurance systems to comply with industry and regulatory standards. Careful monitoring at every stage ensures products with rich taste, natural aroma, and extended shelf life without compromising on quality.

We cater to distributors, retailers, wholesalers, and bulk buyers, offering dependable supply, competitive pricing, and efficient logistics support. Our well-organized distribution network enables timely deliveries across multiple regions, strengthening our position in the Indian dairy market.
