Mestra Pharma Pvt. Ltd. is one of the fastest-growing pharmaceutical companies in India, committed to delivering high-quality and affordable medicines trusted by healthcare professionals and patients across the country. With annual revenues exceeding USD 10 million, the company is supported by two state-of-the-art WHO-GMP certified manufacturing units, equipped with advanced pharmaceutical manufacturing technologies.

Our modern manufacturing facilities enable us to produce a wide range of pharmaceutical formulations while adhering to the highest standards of quality, safety, and regulatory compliance. Mestra Pharma offers a diversified portfolio of primary care and specialty products, catering to both chronic and acute therapeutic segments.

We manufacture and market an extensive range of dosage forms including tablets, hard and soft gelatin capsules, dry and liquid syrups, dry and liquid injectables, beta-lactam and non-beta-lactam parenterals, eye and ear drops, along with herbal, nutraceutical, dermatological, hormonal, cosmetic, and specialty products. Our capabilities allow us to serve multiple pharmaceutical companies across India with reliable and scalable manufacturing solutions.

Each year, Mestra Pharma supplies over 5 million doses across key therapeutic areas such as Neuro-Psychiatry, Cardiology, Gastroenterology, Anti-Infectives, Diabetology, Dermatology, Urology, Nephrology, Respiratory Care, Obstetrics & Gynecology, NSAIDs, and OTC products. Our strong sales force and robust distribution network ensure wide reach and consistent availability across Pan India.
