ABOUT US

Established in 2026, Balaji & CO. is a professionally managed agricultural enterprise based in Thoothukudi, Tamil Nadu, India. As a Manufacturer and Supplier, we specialize in delivering premium-quality farm produce across Pan India, ensuring freshness, consistency, and reliability in every supply.

Our core product portfolio includes Fresh Red Onion, A Grade Red Onion, and Semi Husked Coconut, sourced directly from trusted farms and processed under strict quality supervision. We focus on maintaining superior grading standards, proper sorting, and hygienic packaging to preserve natural freshness, nutritional value, and extended shelf life. Our onions are known for their rich color, uniform size, pungency, and long storage capacity, while our semi husked coconuts are carefully selected for optimal maturity and quality.

At Balaji & CO., quality assurance is central to our operations. We follow systematic procurement methods, modern handling practices, and efficient logistics management to ensure timely and safe deliveries across India. Our team works closely with farmers and supply chain partners to maintain transparency, traceability, and sustainable agricultural practices.

With a strong distribution network and customer-focused approach, we cater to wholesalers, retailers, food processors, and institutional buyers nationwide. Our commitment to competitive pricing, ethical business practices, and consistent product quality has enabled us to build lasting relationships with clients.

Balaji & CO. strives to be a trusted name in the agricultural supply sector by delivering farm-fresh products that meet national market standards and customer expectations.
