About Us

Established in 1986, Dhaval Chemicals India is a trusted manufacturer and supplier of industrial and specialty chemicals, dedicated to delivering quality, consistency, and value to customers across diverse industries. Founded by Mr. Dhaval Soni, the company has built a strong reputation for providing reliable chemical solutions that meet the highest standards of performance and safety.

We offer a comprehensive range of premium-quality products, including Acetone, DI-Acetone Alcohol, Ethyl Acetate, Benzyl Alcohol, Butyl Acetate, Butyl Cellosolve, Mix Xylene, Auto Paint Thinner, NC Thinner, NCGP Thinner, PU Thinner, and Textile Thinner. Our products are widely used in industries such as paints and coatings, printing inks, adhesives, textiles, pharmaceuticals, automotive, and industrial manufacturing.

At Dhaval Chemicals India, quality remains the foundation of our operations. Every product undergoes stringent quality control procedures to ensure purity, effectiveness, and compliance with industry requirements. Supported by modern storage facilities, efficient logistics management, and a customer-focused approach, we ensure timely delivery and dependable service for clients across India.

Our commitment extends beyond supplying chemicals. We strive to build long-term partnerships by understanding customer requirements, offering cost-effective solutions, and maintaining complete transparency in every business transaction. Through continuous improvement, innovation, and ethical business practices, we aim to contribute to the success and growth of our customers while strengthening our position as a reliable name in the chemical industry.

Our Vision

To become a preferred and trusted name in the chemical industry by consistently delivering superior-quality products, ensuring customer satisfaction, and setting new benchmarks in reliability, innovation, and service excellence.
