Biswas Enterprise is a globally oriented trading and export company established in 2023 and headquartered in Kolkata, West Bengal, India. The company is engaged in the export, supply, and trading of premium-quality herbal products and renewable energy solutions, catering to diverse industries and markets worldwide. With a focus on quality, sustainability, and ethical sourcing, Biswas Enterprise serves as a reliable partner for clients seeking natural and eco-conscious product solutions.

Our product portfolio includes Arjuna Bark, a widely valued medicinal herb, a broad range of dried herbs, finely processed herbal powders, and selected renewable energy products. All herbal products are carefully sourced from trusted growers and natural regions, then processed under controlled conditions to preserve their purity, potency, and natural properties. Stringent quality checks are conducted to ensure compliance with international safety and quality standards.

Biswas Enterprise places strong emphasis on sustainability and responsible trade practices. Alongside herbal offerings, our renewable energy products reflect our commitment to promoting environmentally friendly solutions that support global efforts toward cleaner and more efficient energy use. This diversified approach allows us to serve clients across pharmaceutical, nutraceutical, wellness, energy, and industrial sectors.

Our global supply network and efficient logistics capabilities enable us to fulfill customized and bulk requirements with timely delivery and consistent quality. We work closely with distributors, importers, manufacturers, and wholesalers to ensure transparent communication and dependable service at every stage of the transaction.
