Ripple cups keep  
your sip in stride

# RIPPLE PAPER CUP

Ripple paper cups are 100% leak-proof, non-soggy, and heat-resistant, ideal for hot drinks like tea and coffee. With a ripple outer layer, they offer strong grip, insulation, and durability. Commonly used in cafes, offices, and takeaways, they are food-grade, eco-friendly, and available in 150ml to 450ml sizes.

# SINGLE WALL PAPER CUP

# SINGLE WALL PAPER CUP

This plain paper cup is made from food-grade paper with a smooth, single-wall design. It is lightweight, comfortable to use, and suitable for serving tea, coffee, juice, or water. The clean white surface allows for custom printing, making it ideal for branding. Fully recyclable and eco-friendly, it is a great choice for cafes, offices, events, and takeaway services, offering both practicality and sustainability without any plastic lining.
