ABOUT US

Satvedic Resources Pvt. Ltd. is a trusted name in the field of natural wellness, herbal ingredients, and plant-based solutions, committed to delivering purity, quality, and authenticity. Established in 2025, the company operates as a Manufacturer, Exporter, and Supplier, serving domestic and international markets with premium-grade natural products.

Founded by Mr. Jaymin Prajapati, Satvedic Resources was created with a vision to reconnect modern lifestyles with the power of nature. We specialize in sourcing, processing, and delivering high-quality herbal powders, botanical extracts, natural spices, dried fruits, dehydrated vegetables, and wellness ingredients that meet global quality standards.

Our product portfolio includes a wide range of Herbal Wellness Powders, Botanical Extracts, Pure Spice Essentials, Natural Leafy Herbs, Floral Wellness Products, Premium Dried Fruits, Dehydrated Vegetables, Instant Coffee Blends, and Natural Health Foods. Every product is carefully processed using advanced techniques to preserve its natural nutrients, aroma, color, and effectiveness.

At Satvedic Resources, quality, hygiene, and consistency remain our core priorities. Our manufacturing processes follow strict quality control measures, ensuring products that are safe, reliable, and suitable for food, nutraceutical, herbal, and wellness applications.

With a customer-centric approach and a commitment to sustainable sourcing, we aim to build long-term partnerships and deliver excellence in every batch we produce.
