Established in 2015, Samay Polymers is a leading manufacturer, exporter, and supplier of high-quality LDPE plastic packaging solutions, headquartered in Rajkot, Gujarat, India. With nearly a decade of industry experience, the company has built a strong reputation for delivering reliable, durable, and cost-effective plastic bags to customers across domestic and international markets.

We specialize in the production of Plain LDPE Plastic Bags, Printed LDPE Plastic Bags, and Transparent LDPE Side Sealing Poly Bags, designed to meet diverse packaging requirements across retail, food, pharmaceutical, industrial, and commercial sectors. Our products are manufactured using premium-grade LDPE raw materials, ensuring excellent strength, flexibility, clarity, and tear resistance.

At Samay Polymers, quality and compliance are central to our operations. Our manufacturing facility is equipped with modern extrusion, printing, and sealing machinery, enabling us to maintain consistency and efficiency at every stage of production. Strict quality control measures are followed to ensure that our products meet international packaging standards and customer specifications.

We offer customized solutions in terms of size, thickness, printing, and packaging to meet specific client requirements. Our efficient logistics network and export-ready infrastructure allow us to deliver products on time while maintaining competitive pricing.

Driven by innovation, ethical business practices, and customer satisfaction, Samay Polymers strives to build long-term partnerships worldwide. Our mission is to provide high-performance LDPE packaging solutions that combine quality, functionality, and reliability, supporting our clients' growth across global markets.
