About Us

Vairat VS oil mill, established in 2023, is a leading manufacturer, exporter, and supplier of premium-quality groundnut oil, headquartered in Jalgaon, Maharashtra, India. The company is dedicated to producing healthy, pure, and high-quality edible oils that meet the growing demand for nutritious and natural cooking solutions across worldwide markets.

Our product portfolio includes Filter cold pressed groundnut oil and Wood Pressed Groundnut Oil. Each variety is carefully processed using advanced techniques to retain natural flavor, aroma, and essential nutrients. The double-filtered variant ensures exceptional clarity and purity, ideal for both culinary and commercial applications. Cold-pressed oil is rich in antioxidants and retains maximum nutrients, while wood-pressed oil preserves traditional taste and natural goodness, catering to health-conscious consumers and gourmet cooking enthusiasts.

At Vairat VS oil mill, quality assurance is central to our operations. From sourcing premium-grade groundnuts to processing, filtering, and packaging, every stage undergoes stringent quality control to ensure safety, consistency, and compliance with international standards. Our state-of-the-art facilities enable us to deliver superior products that satisfy both domestic and international quality requirements.

We serve a wide range of clients, including wholesalers, retailers, exporters, food processors, and hospitality businesses. Our efficient supply chain, timely deliveries, and customized packaging solutions ensure seamless service and customer satisfaction.

Driven by integrity, sustainability, and innovation, Vairat VS oil mill is committed to becoming a trusted global supplier of high-quality groundnut oils, delivering products that combine health, purity, and taste while supporting a greener and healthier future.
