Established in 2024, Archer Saffron & Mushroom Farm is a trusted manufacturer and supplier of premium-quality Kashmiri saffron, headquartered in Somnath, Gujarat, India. The company was founded with a vision to deliver authentic, pure, and high-grade saffron to culinary, medicinal, and wellness markets across Pan India, while maintaining traditional cultivation practices and modern quality standards.

We specialize in Pure Kashmiri Saffron, Original Kashmiri Saffron, and Indian Kashmiri Saffron, carefully cultivated and hand-harvested to preserve the rich aroma, vibrant color, and potent flavor that Kashmiri saffron is renowned for. Each saffron thread undergoes meticulous selection and grading processes to ensure maximum purity, consistency, and therapeutic value.

At Archer Saffron & Mushroom Farm, quality and authenticity are our top priorities. Our operations follow stringent hygiene and handling protocols, with attention to detail at every stage—from sourcing and drying to packaging—to ensure that our products meet both domestic and international standards.

We cater to wholesalers, retailers, food processors, Ayurvedic manufacturers, and gourmet chefs, offering competitive pricing, timely delivery, and customized packaging solutions. Our commitment to customer satisfaction, ethical practices, and sustainable sourcing makes us a preferred partner for saffron buyers across India.

Driven by integrity, excellence, and a passion for natural produce, Archer Saffron & Mushroom Farm continues to promote the legacy of authentic Kashmiri saffron while building strong, long-term relationships with customers nationwide.
