Globanova Exports is a professionally managed healthcare supply company, established in 2025 and headquartered in Surat, Gujarat, India. The company operates as a reliable Supplier and Trader of medical and surgical consumables, serving hospitals, clinics, distributors, and healthcare institutions across Pan India.

We specialize in a comprehensive range of healthcare products, including Medical Examination Gloves, Surgical Tapes and Fixation Products, Bandages and Wound Care Products, and Orthopedic Casting and Support Products. Our product portfolio is carefully curated to meet the daily operational needs of healthcare professionals, ensuring safety, hygiene, and consistent clinical performance.

At Globanova Exports, quality and regulatory compliance are central to our business philosophy. We source products from approved manufacturers that adhere to applicable medical standards and quality norms. Each product undergoes thorough quality checks to ensure reliability, comfort, and effectiveness in clinical and hospital environments.

We understand the critical nature of medical supplies and the importance of timely availability. Supported by an efficient supply chain and strong vendor partnerships, we ensure prompt order fulfillment and consistent supply across India. Our customer-focused approach allows us to offer flexible procurement solutions, competitive pricing, and responsive support tailored to the requirements of healthcare providers.

Driven by integrity, transparency, and a commitment to patient safety, Globanova Exports strives to build long-term relationships with clients by delivering dependable medical products and professional service. Our focus on quality, reliability, and nationwide reach positions us as a trusted partner in India's healthcare supply sector.
