About Us

Isha Business Solutions is a professionally managed Exporter, Supplier & Trader established in 2025 with a strong commitment to quality, sustainability, and global trade excellence. Operating as an Individual (Sole Proprietorship), the company is led by Mr. A. Arivazhagan, whose vision drives consistent growth and customer satisfaction across worldwide markets.

We specialize in supplying Coconut Shell Products, Wooden Products, Whole & Powder Spices, Fresh Green Chilli, A Grade Kashmiri Red Chilli, and Natural White Sea Shells. Our products are carefully sourced, hygienically processed, and quality-checked to meet international export standards. We focus on eco-friendly, reusable, and sustainable product categories that align with modern global demand.

With a dedicated team of 6–20 professionals, we ensure strict quality control, competitive pricing, timely delivery, and transparent business practices. Our strong vendor network and efficient logistics support enable us to fulfill bulk and customized orders smoothly.

At Isha Business Solutions, we believe in building long-term partnerships, maintaining ethical trade values, and delivering excellence in every shipment. Our mission is to expand our global footprint while ensuring premium quality and complete customer satisfaction.
