CME TIME ENTERPRISE was set up in the year 1997 in Maroua (Cameroon). Mr. Ahmed Yandara, the experienced CEO of the enterprise, has put in his best efforts to take the company towards sky-scraping heights in the industry. Today, the company is known as a dynamic Manufacturer and Exporter of Animal Feed, Raw Cotton, Paper Rolls, Paper Scrap, Silver Virgin Mercury, Black Tea, Refined White Sugar, Edible Oil, Spices, and Frozen Seafood in Cameroon.

INFRASTRUCTURE

The company owns 15 factories that are spread over an area of 22,000 hectares. Further, these units are equipped with modern machinery, 85 tractors, CAD & CAM (Computer-Aided Design & Manufacturing) facilities, R&D and testing facilities, etc. All these facilities help us to achieve the production capacity of 12500 tons per year.

TEAM

The company is well supported by a large team of around 550 exceedingly skilled and knowledgeable professionals. Each and every member of our team is dedicated towards achieving the common goal of the company, which is 100% customer satisfaction.

NETWORK

In the last 15 years, the company has established a vast network for itself across the globe. Spread all over Malaysia, UK, USA, Vietnam, etc., this network helps the company achieving unparallel success in the industry.
