G8 Ventures, established in 2024, is a fast-growing and reliable Exporter, Supplier, and Trader of premium agro-based products. Led by Mr. Shiju Varkey, the company has quickly earned trust in both domestic and international markets by delivering consistent quality, competitive pricing, and dependable service.

We specialize in a wide range of Construction Materials, Oil and Gas Industry Supplies, Agro Commodities & Food Products, Fresh Fruits and Vegetables, Dehydrated & Processed Foods & Whole Spices.

PT. G8 Ventures Global, our Indonesia-based export division, is led by Chairman Sha Bhaskaran and Director Shiju Varkey. We focus on bulk supply of copra, coconut oil, and agricultural commodities for B2B buyers across India, GCC, Africa, and Southeast Asia. With strong sourcing networks and a structured export system, we ensure smooth procurement, proper documentation, and timely shipment.

## Key Strengths:

- Consistent product quality
- Ethical and transparent sourcing
- Strong Indonesia-based supply network
- Export documentation support
- Reliable logistics and delivery

## Our Vision:

To become a trusted global exporter of Indonesian agro products through quality, reliability, and professional service.

## Our Mission:

- Connect global demand with Indonesian supply
- Deliver export-ready, high-quality products
- Build long-term partnerships through transparency

At G8 Ventures, we focus on delivering natural, fresh, and export-grade products while maintaining strong relationships with our global clients through trust, consistency, and performance.
