## About Us

Vinayak Enterprises is a professionally managed healthcare and service provider organization established in 2025 and headquartered in Bankura, West Bengal, India. The company is committed to supporting the wellness and healthcare sector by counselling and guiding medicinal products and providing patient-focused support services across Pan India.

We operate as a guide and Service Provider for cancer patients for Doctor and Medicines / Chemotherapy at affordable expenses/cost.

Vinayak Enterprises offers Cancer Patient Counselling Services, designed to provide guidance, emotional support, and information to patients and their families. Our counselling services aim to assist individuals in understanding treatment pathways, coping strategies, and wellness management, contributing to holistic patient care.

In addition to Wellness Products distribution , Vinayak Enterprises offers Cancer Patient Counselling Services, designed to provide guidance, emotional support, and information to patients and their families. Our counselling services aim to assist individuals in understanding treatment pathways, coping strategies, and wellness management, contributing to holistic patient care.

At Vinayak Enterprises, compliance, ethics, and quality assurance are central to our operations. We follow systematic procurement, storage, and distribution procedures aligned with wellness handling standards. Our service approach emphasizes confidentiality, compassion, and professional integrity.

Strategically located in West Bengal, we maintain an efficient distribution network to ensure timely supply across domestic markets. Driven by responsibility, reliability, and patient-centric values, Vinayak Enterprises strives to build long-term partnerships with healthcare providers, distributors, and institutions while contributing positively to the healthcare ecosystem.
