ABOUT US

Agro Corp India is a professionally managed agricultural trading and export company established in 2025 and headquartered in Pune, Maharashtra, India. The company is committed to supplying high-quality natural and agro-based food products to customers worldwide, with a strong focus on purity, consistency, and global trade excellence.

We operate as an Exporter, Supplier, and Trader, serving clients across international markets. Our product portfolio includes Jaggery Blocks, Jaggery Cubes, Jaggery Powder, Natural Moringa Powder, and Dehydrated Red Onion Powder. These products are carefully sourced and processed to retain their natural properties, nutritional value, and authentic taste. Our jaggery products are appreciated for their rich color and purity, while our moringa and dehydrated onion powders meet diverse food processing and health-focused applications.

At Agro Corp India, quality assurance and food safety are central to our operations. We follow systematic procurement, grading, processing, and packaging procedures to ensure that products meet defined quality parameters and international standards. Hygienic handling and export-grade packaging are used to preserve freshness and extend shelf life during transit.

Strategically located in Pune, we benefit from strong sourcing networks and efficient logistics connectivity, enabling timely shipments and competitive pricing. We focus on transparent business practices, reliable supply chains, and long-term partnerships with importers, distributors, wholesalers, and food manufacturers.

Driven by professionalism, integrity, and customer satisfaction, Agro Corp India aims to build a strong global presence by delivering dependable agricultural products that reflect quality, authenticity, and consistency in every shipment.
