Universal Garments is a dynamic Manufacturer, Exporter, and Supplier of high-quality men's apparel, established in 2020 and based in West Bengal, India. The company specializes in stylish and durable Men's PU Leather Jackets and comfortable Men's Nylon Joggers, designed to meet modern fashion and performance needs. With a strong focus on superior fabric selection, precise stitching, and contemporary designs, Universal Garments ensures products that offer both comfort and long-lasting wear. Our well-managed production unit, quality control practices, and customer-centric approach enable us to serve domestic and international markets efficiently, delivering trendy, reliable, and competitively priced garments for bulk and retail requirements.
