## ABOUT US

Raj Enterprises was established in 2019 and is headquartered in Koderma, Jharkhand, India. We are a reputed Manufacturer, Exporter, and Supplier of premium quality agro and dairy products, serving clients across the global market. With a strong commitment to purity, quality, and customer satisfaction, we have positioned ourselves as a reliable partner in the food and agricultural industry worldwide.

Our product portfolio includes Pure Cow Ghee, Fresh Pink Onion, White Phool Makhana, and Cold Pressed Mustard Oil. Each product is processed and handled under strict quality control measures to ensure superior taste, nutritional value, and compliance with international food safety standards. We source raw materials from trusted farms and adopt hygienic manufacturing practices to maintain consistency and authenticity in every batch.

At Raj Enterprises, we focus on sustainable sourcing, modern processing techniques, and efficient supply chain management to ensure timely delivery and competitive pricing. Our export operations are supported by secure packaging solutions that preserve freshness and meet global transportation standards.

Driven by integrity, transparency, and excellence, we continuously strive to expand our international footprint while maintaining long-term relationships with our clients. Our mission is to deliver natural, wholesome, and high-quality products that meet the diverse needs of consumers worldwide.

Raj Enterprises stands as a symbol of trust, quality, and commitment in the global marketplace.
