About Us

Trusted Partner for Moringa, Spices & Herbal Exports
Infinity Exim Overseas connects global buyers with India's finest moringa, spices, herbs, natural oils, and value-added agri commodities. We ensure lab-tested quality, strong documentation, and reliable export support to meet international standards and buyer expectations.

Certifications & Global Presence

- FSSAI • IEC • APEDA Certified
- COA • MSDS • Lab Tested Products
- Export Markets: USA • EU • UAE • Africa

For Importers, Wholesalers & Private Labels

Share your requirement for moringa, spices, herbs, oils, or dehydrated products, and we will support you with:

- Export-ready specifications
- Product samples
- Competitive pricing for your target market

Our Key Offerings

- Bulk & Private Label Solutions
- Custom Packaging & Branding
- Transparent Communication & Regular Updates

Company Overview

Who We Are

Infinity Exim Overseas is a trusted Indian exporter specializing in high-quality moringa products, premium spices, herbal extracts, natural oils, and value-added agri commodities.

We work directly with certified manufacturers and farmer networks to deliver clean, safe, lab-tested, and export-ready products to global buyers across USA, Europe, Middle East, and Africa.

With a strong focus on quality, transparency, and international compliance, our products adhere to global standards such as FSSAI, IEC, and APEDA norms.

We also provide essential documentation including:

- Certificate of Analysis (COA)
- Material Safety Data Sheet (MSDS)
- Third-party Lab Test Reports
